

A Little Branson History, Facts, & Figures!

Branson – How It All Began!

Branson gained popularity from Harold Bell Wright’s novel “The Shepherd of the Hills,” published in 1907. In 1959, the Mabe brothers performed as The Baldknobbers on the shores of Lake Taneycomo, and in 1962, the Presley family began entertaining in the area. In 1960, the Herschend family opened an attraction atop Marvel Cave, which was already a popular tourist draw; the park continues to operate today as Silver Dollar City, an award winning theme park that attracts thousands of visitors every year. In the early 90’s, Branson became nationally known thanks to the CBS program, 60 Minutes. They loved Branson and produced a very favorable segment, dubbing the area a “Country Music Mecca.” Several Branson stars were interviewed on the program, including Mel Tillis and BoxCar Willie, and their success convinced other big-name entertainers that Branson was the place to be!
